

Me Too

Description

Me Too Me Too,
My boss has got to go
He hits on me day after day
And won't..... hear noâ?!

He won't hear no..... Oh no.
That's why he's got to go.
He gropes and leers, engenders fears
He needs..... to go

Me Too, Me Too..... Me Too
We protest till we're blue
We must all say enough's enough
Me Too.....Â Â ME TOO!! (Shout)
