

## Me Too

### Description

Me Too  
Me Too,  
My boss has got to go  
He hits on me day after day  
And won't hear no

He won't hear no. Oh no.  
That's why he's got to go.  
He gropes and leers, engenders fears  
He needs to go

Me Too, Me Too  
We protest till we're blue  
We must all say enough  
Me Too ME TOO!! (Shout)
