

## More Dead In USA

### Description

Bad people with guns are coming  
They kill us because they can  
Guns everywhere – almost numbing  
Does anyone give a damn?

Gotta get down to it  
Shooters are gunning us down  
Should have been stopped long ago  
What if your own kids get  
slaughtered, dead on the ground?  
Then will it matter? – or no?

You're hoping that this blows over  
But everyone's well aware  
These killings keep getting closer  
Mass killers are everywhere

Don't try to lie to us  
This is not about doors  
We know the problem is guns  
People are rising up  
We can't take it no more  
We gotta fight 'til we've won

Guns multiply, it's so chilling  
It's worsening every day  
More shooters, more guns, more killings  
More dead in USA  
More dead in USA  
More dead in USA  
More dead in USA
