

## More Than Half the Sky

### Description

#### Chorus:

When you want things changed, call in your sisters  
Call in your mothers, Call in the grannies!  
Thereâ??s no power on earth that can resist us,  
Because we hold u-p , half the sky.

We never will forget, grandma was a suffragist.  
Weâ??re fighting still for voting rights, and some donâ??t have them yet.  
But we wonâ??t sit and sigh, burst into tears and cry.  
The world wonâ??t change with-ou-out us, we hold up half the sky.

#### Chorus

Weâ??re singing out our praise, and thanks in these new days,  
For Rashida, Alexandria, Ilhanâ??they all amaze.  
Young women whoâ??ll defy, bad powersâ?? evil eye.  
Theyâ??re women out to change the world, helping hold up half the sky.

#### Chorus

Just look around you now, and you will see just how.  
We women here can change the world, â??cause weâ??ve got the know-how.  
So we donâ??t sit and sigh, we raise our arms up high.  
To show the world that womenâ??s strength, holds up more than half the sky.

#### Final Chorus

When you want things changed, call in your sisters  
Call in your mothers, Call in the grannies!  
Thereâ??s no power on earth that can resist us,  
Because we hold up more than half the sky.
