

Move to Amend version 2

## Description

There is a group Move To Amend  
and here is what they preach:

Corporate personhood must end  
and money's not free speech!

The legal meaning of just who  
has rights has been so blurred  
an amendment is what we must do  
to re-define these words.

For all our causes to succeed  
we have to fix this flaw!  
It's the only way to end the greed  
and make OUR DREAMS! THE LAW!
