

Move Your Money DAPL

Description

Move all your money
Out of *[Wells Fargo] today!
Vote with your money
â??Cause thatâ??s the American way.
Weâ??ll show the bankers
Who fund the black snake and its slime
That we donâ??t want them using our money
For the Dakota oil pipeline.

Move all your money
Out of *[Wells Fargo] today!
Theyâ??d poison our water,
But â??water is lifeâ?• we all say.
Weâ??ve come to tell them,
That all life is sacred, for sure,
And they will learn they canâ??t drink their money
When the water is no more.

Weâ??ve come to *[Raleigh],
Peaceful and prayerful we stand,
To say to *[Wells Fargo]:
Standing Rockâ??s our native land.
So weâ??ll move all our money,
And *[Wells Fargo] can go take a hike!
They will learn their lesson when the oil spills,
**MNI WICONI! WATER IS LIFE!

*[Substitute name of bank or city as appropriate]
