

Mr. Tangerine Man

Description

Hey, Mr. Tangerine Man, stay away from me
You are creepy, and you are no good for anything
Hey, Mr. Tangerine Man, stay away from me
Youâ??re a traitor to our nation â??cause you act like a king

Youâ??re persecuting innocents, distracting from your crimes
when you should be doing time
Then viciously you slime
the officials who respect the Constitution
And when you get court orders, you blow them off, defy â??
and smear the judge with lies:
You deflect, attack, deny and cause confusion

Hey, Mr. Tangerine Man, stay away from me
You are creepy, and you are no good for anything
Hey, Mr. Tangerine Man, stay away from me
Youâ??re a traitor to our nation â??cause you act like a king

You love that ethnic cleansing and support a genocide
yes, youâ??re even taking pride
in your plans to build resorts upon the ruins
A textbook case of psychopathy, you lack empathy
and you cannot even see
how offensive you can be
â??cause to you thereâ??s only pawns, there are no humans

Hey, Mr. Tangerine Man, stay away from me
You are creepy, and you are no good for anything
Hey, Mr. Tangerine Man, stay away from me
Youâ??re a traitor to our nation â??cause you act like a king

You seem to think the rules we follow donâ??t apply to you
Nothing matters but your view
we should accept your lies as true
And the world is only here to serve your cravings

And women are not people in your eyes, weâ??re only dolls
We should have no rights at all
Who are we to claim assault? weâ??re only playthings

Hey, Mr. Tangerine Man, stay away from me
You are creepy, and you are no good for anything

Hey, Mr. Tangerine Man, stay away from me
Youâ??re a traitor to our nation â??cause you act like a king
