

New Health Care System

Description

One little, two little, three little dollars
Gotta squeeze 'em until they holler
Where's the best place to put that money?
Make a new health care system!

One little, two little, three little sick ones
Spreading their germs with no dough to fix 'em
We've gotta get us a brand new system
Have we got a plan for you!

*Single user pay, that's the ticket
It will work but we all gotta pick it
Anything else, tell them where to stick it!
Single user pay now!
