

## NO BOUNDS OF MERCY

### Description

Hello Putin, my old friend  
I'm here alone with you again  
Ukraine is hoping we'll talk of peace  
We only want to make our spoils increase  
Let Ukrainians see the writing on the wall:  
We'll take it all  
Within no bounds of mercy

Netanyahu, love you too  
Corrupt as me and just as shrewd  
Eye for eye is simply not enough  
You'll kill them all and clean the whole place up  
What oppressor has a better card to hold?  
So be bold  
You have no bounds of mercy

At my swearing in, I saw  
Ten million people, maybe more  
People dealing and bargaining  
People grifting and hustling  
People giving bucks in order to buy power:  
My finest hour  
Within no bounds of mercy

Fools, said I, the coup is on  
With your blessing, going strong  
Hear my words and accept my lies  
Never question – only justify  
And those who dare disagree with what they hear,  
will disappear  
Beyond the bounds of mercy

And the people bowed and prayed  
to the golden god I made  
They are begging for plutocracy  
to replace their dumb democracy  
Now, mine is the power and the glory forevermore  
from shore to shore  
I have no bounds of mercy
