

## No Brainer

### Description

We are Tucson Raging Grannies and we re here to kick some fannies

Met-a-phor-ic-ly, that is!

If we re go-ing to e-volve some-how we real-ly must re-solve

to sim-ply tell it like it is !

Just be-cause your chest is wool-y you don't have the right to bull-y

an-y-one that you may see!

And the fact you have a pe-nis does-n't mean you are a gen-ius!

never mind your van-i-ty.

What we-e-e would like to see-ee-ee is our de-mo-cra-cy-y-y  
look-ing out for each and ev-ry one! not just the rich! or those with

guns!

All the foi-bles in the sys-tem we are cap-a-ble of fix-in

with our e-gos set a-side.

And this stub-born pa-tri-arc-hy will be seen as pure ma-lar-key

so it simply won't a-bide.

If our health care were pro-vi-ded and each night we could be guid-ed

to a home that's safe and sound

if all were fed and ed-u-cat-ed pov-er-ty would be a-ba-ted.

THEN peace will a-bound!

To be frank I can-not fath-om this for-ev-er- wide-ning cha-smâ?!..

between the rich & poor.

Ifâ?? youâ??re tired of all their tac-tics, bla-tant bill-ion-aire the-at-rics,

then letâ??s choose a diffâ??-rent door.

We ha-a-ave abili-tie-ie-ies. To-ge-th-er we can be-e-e  
an-y-thing be-yond our wild-est drea-eams. Thatâ??s what they fear, or so it s  
eems!

They al-ways flab-ber-gast us with the bills they ram right past us

or do in the dark of night

We are left dis-gus-ted, our pro-pos-als fill-a-bust-ed

They make evâ??-ry-thing a fight!

Weâ??ve got right-wing mach-in-a-tions hold-ing hos-tage our whole na-tion

with their cheat-ing in plain sight.

When all theyâ??ve got is op-po-si-tion, stall-ing tac-tics, and re-sis-tance,

You know thatâ??s not right!

If youâ??re feel-ing G O Pee-vish just re-call the life of Je-sus.

You can rise a-bove the fray

Though rules are not all gold-en, to this one we are be-hold-en.

Live and let live is the way.

If you-ou-ouâ??re like mee-ee-ee, itâ??s diff-i-cult to see-ee  
How weâ??ll move a-hea-ea-eadâ?!.. These road-blocks stop us dead!

If we con-tin-ue to be si-lent, it just makes us all com-pli-ant.

THEN theyâ??ll get their way !

So WE must stand to-ge-ther fight-ing for a life thatâ??s bet-ter.

(very slow)-> Thatâ??s HOW WEâ??LL SAVE THE DAYâ??!â??!â??! AND THE PLANET!!!
