

## No Frackin', No Way!

### Description

Oh, give us a beach  
Where oil spills can't reach,  
And there's no sticky goo on the sand,  
Where children can play,  
And the birds and fish stay  
Free from harm... that's our simple demand.

### CHORUS:

No frackin'! No way!  
We say keep those frackers away!  
We say NO to those rigs  
And those comp'nies so big!  
Mother Earth still comes first in our land.

There are so many ways  
To make power these days  
From the wind and the sun, don't you see?  
Let's stop hydrofracking  
And mountaintop hacking  
Let's treat the Earth as it should be.
