

## No Government For Daydream Believers

### Description

Oh they call it prorogue'Cause we might not know that word  
Our government's skedaddled from the hill  
They won't work but they'll get paid  
Leave behind the mess they made  
Democracy is dying in the north

#### CHORUS

Oh Oh, Michaëlle Jean  
What about this scene?  
It's time you used your muscle from the Queeee-en  
We once thought of you  
As someone who'd really do  
Now you need to show us what you mean  
Let our good times start up now  
Count on you to show us how  
It's time to give us what we really need.
