

No Longer the Land of the Free!

Description

Data Centers are no good

for anybody's neighborhood!

The AI's that they train are used by ICE

It's the darling of the Pentagon

and it's Wall Street's favorite device!

Suckin up water against our will,

the cost hidden in our utility bill,

heatin the climate and pollutin our land.

Time for us to take a stand!

Everywhere data centers are built

folks are cryin over that spilt milk!

as their water is depleted and their bills soar,

they're helpless while watchin

their money go right out the door!

Our military now uses AI

in unprovoked wars where innocents die.

And they spy on us domesticly

we're no longer the Land of the Free!•

We must stop this fascist regime
from ever fulfillinâ?? their fondest dream!
Donâ??t lose heartâ?! just take partâ?! in peaceful actions
strikes and boycottsâ?! oppose the robotsâ?!
takinâ?? our jobs a-cross the nation.

Demand a mor-i-torium on
data centers and operations
that train AI, because you seeâ?!..

Savinâ?? Freedomâ??s Up to YOU and ME !
