

No Mean Kings

Description

We Do Not Want a King

words and music by Carla Winter, 2025-26

We do not want a king especially one who's mean

It's only getting worse each passing day

So we march and sing, we don't want a king

We don't want a King, no way

chorus

No way, No way, we don't want a king no way

So we march and sing, we don't want a king

We don't want a King no way

In a seat sits a rump, it could be the hump

That gets us up and moving as a team

For our country we stand strong, Let's sing it in a song

We don't want a King no way

chorus

It was Petti & Good who died before they should

Brutalized & ICED before their day.

Protesting ICEy thugs, who would not show their mugs

We don't want a King, No way.
