

No! No! No! You Don't

Description

No! No! No! you don't
Tell me what to do.
My body, my body, my body is mine;
It won't be ruled by you.

No! No! No! you won't
Silence womens' voice.
Whether to have a baby or not
Remains a private choice.

Roe, Roe, Roe beat Wade
It's a settled case.
Leave it; oh, leave it; oh, leave it alone
And honor women's space.
