

NO TEP FRANCHISE!

Description

Weâ??re Tucsonâ??s Raging Grannies

We are old but our memâ??ries

are still good and thatâ??s why we donâ??t count on TEP!

TEPâ??s a mon-o-po-ly

and we canâ??t count on the ACC

to keep our electricity afford-a-ble to all.

The two million bucks they say weâ??ll get

is just seven tenths of one percent

of the yearly profit w-e-e pay to TEP!

And even that chump change stops if we

take a step tâ??ward a u-til-i-ty

owned by us collectively, **which is what we really need!**

Vote NO on the TEP Franchise Agreement

Public Power is what we need!
