

NO TEP Franchise!

Description

TEP says to the ACC â??We wannaâ?? send more
profits to our al-ready quite wealthy investors.â?•

So the ACC says â??Go a-head!

If your ratepayers canâ??t afford bread
just tell them to eat cake instea-ead!â?•

TEP says to the ACC (*pause*)â?!. â??As you well know,
profits are a percentage of the cost for us to grow
our infrastructure (*pause*) (*speak*)->â?!. That is why

speak-> we love fossil fuels. Its costs are high.

sing-> We donâ??t like solar. Its costs are too lo-ow.â?•

The ACC says to TEP, â??Thatâ??s OK with us.â?•

â??Your ratepayers are so dumb, they will not make a fuss.

And if they do, weâ??ll side with you

and all the lies you tell them, too!â?!.

Go on and put that fracked-gas pipeline throu-ough!â?•

If youâ??re a ratepayer and you donâ??t like what youâ??ve just heard,
hereâ??s a way to change this the-a-ter of the absurd!

Demand the Mayor and Council to

let us vote on whether to

replace TEP with a City-owned compa-ny-y!

Donâ??t be fooled by the TEP Franchise and the ECA.

Two Million dollars is far less than the profit we now pay

Thatâ??s just chump change for TEP

slow-> the **change** we need is the **whole** compâ??ny!

Profit-free Public Powerâ??s the **o-only wa-ay!**

VOTE NO ON THE TEP FRANCHISE AGREEMENT!
