

No War This Time

Description

Yo â?? one shot, truth drops, no gimmicks.
One voice climbing past the systemâ??s limits.
Call it â??defence,â?• but itâ??s profit and deceit,
War chests fat while the streets canâ??t eat.
Preach peace, still feeding the flame,
Sell the struggle, then shift off blame.
We clock the spin, weâ??re done with the truce â??
Timeâ??s run out, now the people cut loose.

Public cash for missiles while the climate aches,
Broken treaties, poisoned rivers, same stakes.
Gaza bleeding â?? history repeating,
Leaders chant peace, but the bombs keep beating.
They push fear; we spark hope nonstop.
They build walls; we rise rooftops.
Coast to coast, yeah, we draw that line â??
Peace in our pulse, justice this time.

Funds to the fight while the Earth pays cost,
Billions for bombs, human care gets lost.
Stack weapons, cut aid, silence the wise,
Mask the truth behind flags and lies.
From Gaza streets to northern streams,
Peace is the path sewn into our dreams.
The youth cry out, the elders remind â??
Shift funds to life; realign mankind.

Chorus

Drop the guns, drop the greed â?? we own it.
Shut the war machine down â?? donâ??t postpone it.
One world, one spark, one climb â??
We rise and we shout: NO WAR THIS TIME!
Cut the lies, cut the profit â?? expose it.
Hands up high, let the whole world know it.
Stand for the people, hold the line â??
We rise and we roar: NO WAR THIS TIME!
