

## Now! Now! Now! (Anti-gun violence)

### Description

We need to **wake** up! We need to **rise** up!  
We need to open our **eyes**  
And do it Now! Now! Now!  
We need to **build** a safer **future**  
And we **need** to start right now.

We are a country that has a **problem**  
Too many **guns**, too many **shootings**  
We ask How? How? How?  
Can we **build** a safer **future**  
And we **need** to start right **now**.

We are a-**wa-re** that thoughts and **pray-ers**  
While kindly meant don't prevent  
Hearing Pow! Pow! Pow!  
We need new **laws** that do much **more**  
And we **need** to start right **now**.

Let's ban **bump** stocks and semi-autos  
Make background **checks** uni-**ver**-sal  
Do it Now! Now! Now!  
We need to **build** a safer **future**  
And we **need** to start right **now**.

No more **waiting** or **hesitating**  
We must **wise** up, time to **rise** up  
Do it Now! Now! Now!  
We need to **build** a safer **future**  
And we **need** to start right **now**.

We need to build a safer future  
And we're **going** to start right **now**!
