

O Come All You Fearful

Description

O come all ye fearful
Fretful about Christmas

O come ye

O come ye

To reason once again

Come and behold them

All the TV specials

That say it isn't presents

Or everything just perfect

But who you are and what you do

That mak-kes the day

2) O Sing a little bet-ter

Christmas isn't madness

All stressed out and chewing out

Your loved ones around

Your TV has nailed it

Calm down and embrace it

They want you sane and happy

And take a little nappy

This really is what's wanted

On Chri-ismas day.

3) My miserable Christmas

Website tells the horrors

But all these are just about

How adults behave

Depressing reading

But they teach a lesson

We can improve so easily

Patient and kind so breezily

It's attitude not plentitude

That makes Christmas day!

4) Whatever we've got then

Absolutely will content us

A messy house

A partner louse

They're ours and we'll cope

We'll look for the fun parts

Stretchify our grinch hearts

Relax don't sweat the small stuff

What we've got will be en-ough

The atmosphere at ours will be

Comfy and kind!
