

O Lovely City, Our Sweet Home

Description

Note: originally written as "O Lovely City, Madison" I made it generic for use by other gaggles.

O lovely city, our sweet home
Your golden promise gleams;
Your city lights so clear and bright
Encourage hopes and dreams.

Yet in your streets are sleeping
The homeless and the poor
Shivering with cold and fears untold
They must not be ignored!

For we're one human family
And cannot look away
Harm done to one hurts everyone
Our work begins today!

O may each winter morning
Proclaim a new rebirth
Justice and opportunity
With peace to all on earth!
