

Occupy Wall Street

Description

Occupy Wall Street

**Our budget's in the ditch,
Our budget's in the ditch,
Hi-ho, we're broke, you know,
'Cuz we don't tax the rich.**

Survival hit a hitch,
Survival hit a hitch,
Boo hoo, what shall we do?
We need to tax the rich!

We've occupied their lair,
We've occupied their lair,
Hi ho, we we'll never go,
Until they've paid their share!
