

Ode to Corporate Motherhood

Description

ODE TO CORPORATE MOTHERHOOD

(For the Tucson Raging Grannies, original by Lee 2015, revised by Lee 040718)

M is for the mo-ney you are steal-ing
from the mid-dle class and all the poor.

O means on-ly you don't give a blee-eeep,
as long as corp'rate pro-fits can still soar!

T is for the ter-ror-ists you cre-ate
with your pro-fit-mo-ti-vat-ed wars.

while using all the hate you've gen-er-a-ted
to claim we need to in-flict fur-ther scars.

H is how you've hi-jacked all our la-aws
with your corp'rate per-son-hood-think-ing.

We would real-ly like a Sup-reme Co-urt
that does-n't buy your corp-rate hood-wink-ing!

E is for e-lec-tions you now pur-chase,
ren-der-ing our votes all null and void.

R is for the rights that you have sto-len
and rape-ing of the plan-et you've des-troyed.

It's been one hun-dred and thir-ty two ye-ears,
since the mother of mis-takes gave birth.

Corp'rate per-son-hood has now grown up to be...

THE **BIG-EST CRI-MIN-AL ON EARTH!**
