

Oil on Trains

Description

Iâ??m asking if you know whatâ??s going on
Please tell me if you know whatâ??s going on.
Does the CP railroad tell you
When theyâ??ve got stuff that might fell you
In the trains that come through here and carry on?

Is tar-sands oil on a danger list?
Can we tell them we donâ??t want itâ?? get my gist?
Are we ready for a spill
That could unleash many ills:
And if not, how can we bear the risk?

Je vous demande si vous savez bien
Ce qui est transportÃ© dans tous ces trains
Les ferroviair(es) vous informent-elles
Quand les substance(es) peuvent Ãªtre mortelles
Qui pass(ent) par nos maisons et nos jardins.

Lâ??huile(e) et lâ??pÃ©trol(e) sont dangereux
On nâ??aim(e) pas Ã§a, on nâ??en veut pas â?? comprenez?
Ã§a dÃ©vers(e), câ??est malheureux
Alors quoi fair(e)? â?? qui appeler?
Est-ce quâ??on est prÃªt pour nettoyer?
