

## One blue Christmas song

### Description

This song is addressed to those in a blue Christmas for whatever reason. Know that it is okay and that there is support for you with holiday pain, if you look for it. This is not a carol nor does it speak of joyous celebration but for the many out there who cannot participate, there is need for a song like this.

Here comes Christmas

I can't handle it

Expectations by all

Parties, laughter,

Children singing,

Friends who come to call

I'm learning how to say to all

'I don't feel merry and bright.

But with your support

I'll make it through

Another long Christmas night!
