

One Human Family

Description

We are the Raging Grannies calling out from far and wide,
Rising up together like a mighty ocean tide,
To stop the wars and killing so we all can live and thrive,
One human family strong.

CHORUS:

No more wars upon this planet!
War is a crime and it is a racket!
We must learn to live together as we reap what we have sown;
One human family strong.

We don't want our children to be taught to fight and harm,
And we will work incessantly for nations to disarm.
War has never been the answer, so we are sounding the alarm:
No more war, no way!

REPEAT CHORUS

The hearts of women know that war is a game that no one wins.
We won't be taken in by all the lies and all the spin.
Now is the time to come together on this grand Memorial Day
And demand a better way!

REPEAT CHORUS
