

Our Country Once More Free

Description

Our country used to be
Sweet land of liberty
But that's no more
That's why we stand and fight
Against this fascist blight
To restore our human rights
Let freedom ring!

Our country, once more free
Rescue our liberty
Our hope takes wing
We believe in equality
Human rights and diversity
Respect for all humanity
Let freedom sing!

Together hand in hand
United, strong we stand
Of hope we sing
Come now and join with me
From sea to shining sea
Regain our democracy
And freedom bring!
