

Our Deflector In Chief

Description

1. Hail to the don, heâ??s the ultimate deflector

Scheming in ways to avert our scrutiny

Creating chaos reflected in our news feed

Distracting us from **re**-al-ity.

CHORUS

Starting wars overseas

Sending troops into our streets

Picking scapegoats to cover up his lies

Deflection is his game

Canâ??t help himself

Been his ploy, since a boy

Our deflector in chief

2. Hail to the don, heâ??s the ultimate deflector

Ma-cho-o man the-e **bonafide** deal **maâ??ker**

Pray for the day when it isnâ??t all about him

Pray for the day when weâ??ll all be released

CHORUS

Starting wars overseas

Sending troops into our streets

Picking scapegoats to cover up his lies

Deflection is his game

Can't help himself

Been his ploy, since a boy

Our deflector in chief
