

## Pack Up Our Cars and Trucks

### Description

Pack up our cars and trucks  
And motor homes  
Ride bikes instead  
Use person-power in our travelling  
And breathe a lot less lead  
Gas emissions from our cars  
Are threatening our health now, so  
Pack up our cars and trucks  
And take a walk  
Or ride a bike instead  
V2) Do take a bus to shop  
Don't drive a car  
Or just ride a bike  
Pedal our planet back  
To better health  
An environment we like  
If we want an atmosphere  
That's fresh and clean and clear, we'll  
Pack up our cars and trucks  
And take a walk  
Or ride a bus or bike.
