

## Palestine Song

### Description

In the West Bank  
And in Gaza

Occupation

Reigns supreme

Palestiniansâ??

Daily lives there

Can only be described as grim

An apartheid wall

Through the West Bank

Takes away most

Of the land

That could ever be

A Palestinian state

It creates facts on the ground

Thereâ??s a blockade

On the Gaza Strip

Itâ??s been going

On for years

The populationâ??s

On a â??dietâ??

That would keep most of us in tears

Human rights have  
No exceptions  
Theyâ??re for each and  
Every one  
Donâ??t repress them  
Letâ??s protect them  
In every place under the sun
