

Passing the Torch

Description

The **rich** often **purchase** an **election**
or at **least** they have **a**-always **tried**.
Why **else** would they **gather** all that **money**
in **offshore accounts** there to **hide** ?!?

That's **how** they pay **for** all their **desires**
to be **made** into **law** come what **may**.
With **their** cronies **in** the seats of **power**
Who **sa**-ays that **crime** doesn't **pay**?!?

The **phones** that we **cherish** oh-so **dearly**
are **surveilling** our **ev-e-ry** **move**.
Day and **night** they **collect** all of our **data**
to **be** used **however** they **choose**.

In **their** game we **are** all un**important**
except for the **data** they **mine**.
And **when** we are **no** longer of **service**
they'll **kick** us all **in** the **behind**.

But **we** are the **ones** in greater **numbers**

though **ignorant we** may **remain**.

That's **why** they fear **our** collective **voices**

growing and **shouting** **distain!**

Democracy **requires** that we **enga**-age

for **freedom** in **fact**, is not **free**.

Someone before **us** has had to **stand** up!

Taking **that** torch is **up** to you and **me!**
