

Payday Lending (Regions Bank)

Description

If you need a loan to get you through Payday lending it's not the way to go.
Regions Bank will screw ya bad;
They're greedy and they've got to go!

CHORUS:

Payday loans have got to go!
They just prey on the poor.
Regions Bank, get out of town,
And don't come back no more!

They charge outrageous interest rates.
Their usury should be a crime.
We're here to tell ya Regions Bank
Should be jailed and doin' time.
REPEAT CHORUS

Three hundred sixty-five percent:
That's the interest you must pay.
They will rob you deaf and blind,
Cause that's their thievin' way.
REPEAT CHORUS

Regions Bank, we say to you,
We will shut you down!
We don't want the likes of you
Doin' business in our town.
REPEAT CHORUS
