

## Peace On Earth Is What Weâ??re For

### Description

Peace on earth is what weâ??re for â?? alleluia  
We shall put an end to war â?? alleluia

Instead of bombing other lands â?? alleluia  
May we lend a helping hand â?? alleluia

Let us lay down all our arms â?? alleluia  
Letâ??s do good and not do harm â?? alleluia

Sisters, brothers, work for peace â?? alleluia  
Never stop â??til all wars cease â?? alleluia

When compassion rules the day â?? alleluia  
We shall live a better way â?? alleluia

May all children everywhere â?? alleluia  
Know theyâ??re safe, and have no fear â?? alleluia

Peace on earth is what weâ??re for â?? alleluia  
We shall put an end to war â?? alleluia
