

Lyrics by: Rose DeShaw

Gaggle: Kingston

Tune: Come and Go With Me

Date written or updated:

## Plan A Baby With Me! A Planned Parenthood Song

Dom, dom, dom de dubie dom Dom, dom, dom de dubie dom

Dom, dom, dom, de dubie dom

Whoa, whoa, whoa, whoaaaaa (repeat)

I need some info

Come & go with me

Planned parenthood

I need to see

Before I'm preggers

Sort it out with me

Whoa, whoa, whoa, whoaaaaa!

Get, get, get, get

Get that info clear

Tell me darling

Before a baby's here

You will support us

Sort it out with me

Whoa, whoa, whoa, whoaaaaa!

Yes we need them

Yes, we really need them

Please let them be around

When we're getting knocked up

Before everything is cocked up

Just give them a chance!

Come, come, come, come

Come into my head

Tell me darling

That you've really read

Their ad-vice, darling

Come and go with me

Whoa, whoa, whoa, whoaaaaa

[DANCE AROUND, SNAP FINGERS]

Just give them a chance!

[REALLY HAVE FUN - IMITATE SAX SOLOS]

I love life darling

Don't you see?

Plan for a baby

And we'll be

Happier always

Come & go with me

[MORE SAX SOLOS - DANCE]

Come see them with me

Dom, dom, dom de dubie dom

Dom, dom, dom de dubie dom

Come see them with me

Dom, dom, dom de dubie dom

Come on, go with me!

(Google youtube, put Come & Go With Me in their search engine and you can hear the original & learn to sing it)
