

Police Retraining Song

Description

Their hands are up
Do not shoot them

They can still breathe

Do not chokehold them

And on your beat whatever you do

Realize they're as human as you

[bridge]

Jaywalking and selling loose ciggies

Are not capital crimes

Is murder okay cause they're just black folks

Better change your minds

This belief

You must suspend

The nightmare of p'lice

Brutality must end

Accountability there must be

In the so-called land of the free
