Description

Power in Your Vote Tune: Power in the Blood Lyrics, Linda Hileman,
Key: D, starting note: A Piedmont Raging Grannies 8/25

Would you be free from Trump and his kin?

There's power in your vote, Power in your vote!

Would you ever e-vil a victory win?

There's wonderful power in your vote!

CHORUS:

There is power (power), power (power), wonder-working power

In your vote! (in your vote!) Yes, your Vote! (yes, your vote!)

There is power (power), power (power), wonder-working power

In our democratic vote!

Would you be free from their grifting and pride?

There's power in your vote, power in your vote!

Come cast your vote on democracy's side!

There's wonderful power in your vote

This is America, we don't want a king!

There's power in your vote, power in your vote!

Our vote will ensure that we let freedom ring

There's wonderful power in our vote!

CHORUS

Don't let them take it no matter the cost

There's power in your vote, power in your vote

It is the one right that must not be lost!

There's wonderful power in your vote

Midterms are coming, they're important, too

We have power when we vote, power when we vote

Show up and vote—we must all fight this coup!

There is wonderful power in our vote

CHORUS

They've gerrymandered districts to cheat and suppress

We have power when we vote, power when we vote

Don't let them win, show up and impress, with our DEM-O-CRAT-IC VOTES!

They've packed the courts and the legislature, too

Take their power with your vote! Take their power with your vote!

Don't let them steal our democracy too

There's wonderful power in our vote!

CHORUS: 2x

There is power, power, wonder-working power

In your vote! (in your vote!) Yes, your Vote! (yes, your vote!)

There is power, power, wonder-working power

In our democratic
