

Prime Minister Visits The U.S.

Description

Today's a U.S. visit
Crowning their President, King
Today, our P.M.'s going
Gonna go hear him sing
I looked to the U.S. and what did I see?
Comin' to put weapons 'round the moon
A band of media, singin' his tune
Comin' up for Canada soon
CHORUS
Swing soft, sweet sovereign nation
Makin' us proud of our home
Swing low, sweet northern statesman
Let us hear truth from the throne
V2) I looked for our P.M. and what did I see?
Someone takin' care of our home?
Or sellin' goin' on. without none of us knowin'??
Better make this government gone
CHORUS
V3 If you see our P.M. before we do
Gotta change governments now
Help him pack up 'cause it's time he's through
Need a new government now.
