

Prior Auth Paradox

Description

verse 1 **Some folks are now used to the way**

right here in the USA

prior auths deny and delay

medical treatments evâ??ry dayâ?!

And **yet no prior auth has been sought**

for the deadly bombs we drop!

verse 2 So, yaâ?? **wonâ??t need an auth if yaâ?? just wanâ??na KILL!**

But **if you wanâ??na SAVE lives then you will!**

Gotta make sure it wonâ??t interfere

slow-> **with the profits of the in-sur-er!**

Thanks to all the corpâ??rate greed,

Profits over people is now our Nashâ??nal Creed!

END THIS CORPORATE TYRANNYâ?! NOW!!!
