

Privatize (Education)

Description

Privatize (Tune of Baby Face)

Originally by Barbra BartonMadison RGs. Rewrite by Lee StanfieldTucson RGs 040218

starting note: D above middle C

Privatize!

The **Koch Bro-thers** now want to corpâ??-ra-tize

our **u-ni-ver-si-ties** to spread their lies.

So we must rise!

We canâ??t let them win this!

If they do then we can just kiss

good-bye to

all **ves-ti-ges** of true **de-mo-cra-cy**.

Whatâ??s left will be a huge **plu-to-cra-cy**

wed-ded to

the **U S mi-li-ta-ry**

We must stop this. Itâ??s too sca-ry!

Or-gan-ize!

Thatâ??s what we have to do to save our lives

The things that we hold dear will all be gone.

It wonâ??t take long!

From now on we wonâ??t stop.

Keep Con-gresshâ??-nal phone lines red hot.

Call them all!

Make **sure they get the message loud and clear.**

Our **pub-lic ed-u-cation we hold dear!**

And we vote!

We **kick out pol-i-ti-cians** **plan.**

if they donâ??t back our positions! **ly**

dai

(Rousing ending) Call each day ***dirty***

Vow **right now to disrupt their**

Calls **from each woman and man**

across the entire land

will **stop this priâ??vaâ??tiâ??ziâ??ng sca-a-a-a-am!**
