

Privatize (Everything)

Description

All they do the whole day thru is privatize
Hospitals, schools, hydro too, privatize
Public trust, used to mean
We the people ran the scene
Now public's gone private
All 'cross this land
The boys who make the big bucks need
Always more dough
They say the public's SO naive and
Wasteful, you know
They'll help us out, taking over
Anything to land in clover
All they need to do the deed
Is SILENCE from us!
