

Project 2025

Description

Mine eyes have seen the coming of American royalty
Anointed by the Court Supreme with all immunity
To prevent a presidential king, it's up to you and me
If Democracy goes marching on

CHORUS:

Power lust is never satisfied

Billionaires, they want to rule our lives

Pay low wages and jack up our living costs

Enough! Demand your rights!

I've seen warnings written in a hundred news reports
Project twenty twenty five our freedoms will abort
With a tyrant on Day One our rights will be under assault
Will a king be president?
I've read a fiery manual, writ in angry tones of zeal
By those who want the freedom to make their shady deals
Their endless itch for power will force us all to kneel
At the altar of gold and greed

CHORUS:

Power lust is never satisfied

Billionaires, they want to rule our lives

Pay low wages and jack up our living costs

Enough! Demand your rights!

Destroy a hundred years of protective regulation
Itâ??ll only take a day or so of signing proclamations
Clean air and water, living wages, public education
Gone by the stroke of a pen
The king fires civil servants, fifty thousand or more
Hires his politicos, who loyalty have sworn
Obey the king, right or wrong, legalities ignored
They serve in submission

CHORUS:

Power lust is never satisfied

Billionaires, they want to rule our lives

Pay low wages and jack up our living costs

Enough! Demand your rights

Abortion, contraception, in vitro fertilization
The right to choose belongs to us, so please pay close attention
No womanâ??s life should be at risk from faulty legislation
We wonâ??t breed like rabbits!
Project twenty twenty five fills nine hundred pages
Hurts the young, the old, the disabled, and people of all ages
We must rise up and take a stand, and verbalize our rages!
Our freedom depends on us

CHORUS:

Power lust is never satisfied

Billionaires, they want to rule our lives

Pay low wages and jack up our living costs

Enough! Demand your rights!

(slow): **Enough! Demand your rights!**
