

PROJECT VOO-DOO!

Description

The **water we** are **usinâ?? now** **alrea-eady exceeds**
what our **rainfall can** replenish, **and** still our **needs**
keep on **growinâ?? just** like **Donald Trumpâ??s** evil **deeds!**
So **when** Project **Blue-ue**
says **to** me and **you-ou...**
that they **guarantee** to replace **all** the **water** they **use**
it sure **sounds** to **us** just **like** a **carnival ruse!**
How do they **plan** to create new **water**
as our **desert** gets **drier** and **hotter?**
They **mustâ??a** managed to **put** the **fix** on **all** laws **of** **phy-sics!**
Most jobs **Project** â??**Voo Dooâ??** **brings** are **stri-ict-ly** short-term.
As **tempâ??ratures** keep **climbinâ?? we** are **all** gonnaâ?? **burn!**
But **most** of our **pol-i-ti-cians** **seem** unable to **learn!**
Withdraw this **contract!**
You **must** walk it **back!**
Out-of-state investors, **once** our **water** is **gone,**
will declare corpâ??rate **bankruptcy** leaving **us** with this **songâ?!**
We **donâ??t** wanna **say** we **told** yaâ?? **so!**
So, **this** plan **really** **has** to **go!**
Tell them **this** was a **big** **mistake!** **Back** out before itâ??s too late!!!
