

PROTEST THE ANTI-PROTEST BILLS!

Description

There are **forty** one new **bills** against protests

That means **we** must protest **these** anti-protests.

So does **that** mean **we** need **at** least forty **one** new **an-ti-protest** protests?

I find **this** confusing! I **confess!**

*(Before resuming singing! as a group! take a huge breath and sigh loudly!..
then look at the audience with an "I just got it" look on your face!.*

So the **GOP's** **attacking** all protests

that don't **favor** their political **interests!**

That's what **we** must focus **on** to save all of us **from**
a **totalitarian** dictatorship!

Call your **members** of **Congress** to protest

all of **these** attempts to **find** a way to **mess**

with our **freedom** to speak **out** and **even** scream and **shout**

when big **money** **tries** to drown us **out!**

Tell them **you** protest the **use** of tax monies

for **paper** and ink to write bills like **these!**

Remind **them** that if they **lose** our votes, they **may** entirely **miss** the boat

and **their** corporate donations will then **cease!**
