

## Public-Owned Banks & Worker Co-operatives

### Description

**We need an economy  
that supports democracy.**

**Capitalism inevitably**

**brings wealth inequality!**

**through its workplace hierarchy**

**employers over employees.**

**What we need is worker owned**

**co-operatives because they're known**

**for workplace democracy,**

**to build wealth equality!**

**Exploiting workers must stop now**

**No worker should be a cash cow!**

**Local banks publicly owned**

**are needed to issue loans**

**Workers can then buy companies**

to be **their** own **em-ploy-ees**.

**This** is being **done** else-**where**.

**Americans** deserve it **here!**
