

## Put the Foodbank Out of Business

### Description

(Brackets indicate where you can put in your own names/genders)

Put the foodbank out of business  
Raise the welfare rates  
Stop the cuts to the disabled  
We don't appreciate  
Seeing children going hungry  
Parents struggling  
Family homes with empty cupboards  
Poor, (but still working).  
In the meantime won't you give?  
Food to feed our own?  
Peanut butter, jam, spam  
Any food that's known  
Juice, cheese, beans and tuna  
Any food that's gone  
Feed the folks to need to eat right now!  
Someone's in the kitchen with [Harris] (Insert governmental person's name here)  
Someone must be in there, I know, I know,  
Something must be keeping [him] from seeing  
Welfare rates are just too low  
[He's] saying 'Foodbanks-we'll just let them grow.'  
Homeless-we'll ignore them, oh, ho,  
Forget 'people on the dole'  
Knocking on the foodbank door.
