

Put Your Finger in the Air (Reproductive Rights edition)

Description

Put your finger in the air, in the air,
Put your finger in the air, in the air;
Put your finger in the air, we **need** abortion care!
Put your finger in the air, in the air!

Sing remaining verses in the same pattern:

Put your finger on your nose ... Sam **Alito** really blows!
Put your finger on your knee ... how we **do** miss RBG!
Put your finger on your womb ... pregnancy should not spell doom!
Put your finger in the shade ... we must **keep** Roe-versus-Wade!

Put your finger in the air, in the air,
Put your finger in the air, in the air;
Put your finger in the air, we **need** abortion care!
Put your finger in the air, in the air!
