

R U Ready 4 World War 3?

Description

R U ready 4 **Wo**-orld War 3 ?

War is a **tool** of the **oligarchy!**

With **bombs** to **blow** us **to** smitherines

theyâ??re **deaf** to **all** our **ple-ees** and **screams.**

Owning all that **money** can **buy,**

into **space** a **rocket** theyâ??ll **fly.**

Another **planet** to **live** on theyâ??ll **try,**

caring not if the **rest** of us **die.**

What we need is commu-unity

here on **Earth** right **where** we should **be,**

embracing **all,** and **ha**-and in **hand,**

building democracy in our own **land!**

Hurry, please, before itâ??s too **late.**

Thereâ??s no time to **co**-ogi-tate.

End the pointless partisan debate!

Itâ??s **RICH** against **POOR,** so **donâ??t** take the **bait!**

The **leaders** of **both** major **parties** are **not**

friends of the **middle class** **or** the have **nots!**

We who are **not** richâ??! **are** on our **own!**

Itâ??s time to **act**â??! not **just** rant and **moan!**

Plan for a **ma**-assive **boycott** and **strike!**

That is the **only** way **to** win this **fight!**

We must start **NOW!** No **more** can we **wait!**

very slow-> If **we** don't act **now**, it **may** be too **late!**
