

Recruiters Lie

Description

**Weâ??re the Raging Grannies! Weâ??re mad as mad can be!
Recruiters lie, our children die;
Thatâ??s not how it should be!**

**Our kids are told that theyâ??ll get jobs
And money for college too,
But you can bet that what theyâ??ll get
Is just the royal screw.**

**They send our kids to die in war
But what have they achieved?
They say theyâ??re fighting terrorists
But we wonâ??t be deceived.**

**Halliburtonâ??s getting rich.
Itâ??s really quite uncouth
To profit from war. We say: No more!
Itâ??s time we heard the truth!**

**Letâ??s give our kids the jobs they need
So they donâ??t have to go!
And when recruiters hunt them down
They can all say NO!**

**Weâ??re here to say we want our kids
To grow up safe and sound.
Not get blown up by a roadside bomb
Half the world around.**

**War is not the answer,
And so weâ??re here to say:
Weâ??ve had enough, its time to get tough â??
(sweetly) The sweet old Granny way.**
