

## Replace TEP & the ACC with Public Power!

### Description

TEP has been exploiting Tucson for many long years.

The money weâ??ve sent their investors shouldâ?? bring us all to tears!

Weâ??d-a saved a fortuneâ?? if weâ??d kept our money here!

If we owned our own power compâ??nyâ?? like Tucson wa-ater now,

all of our hard-earned moneyâ?? would stay right here in town.

And weâ??d be leavinâ??â?? those fossil fuels in the ground.

TEP really hates solarâ?? â??cause it will not raise their profit,

although it would greatly lowerâ?? the monthly bills we git.

TEP loves its investorsâ?? but its consumersâ?? Not a bit!

The ACCâ??s sâ??posed to protect usâ?? from all of the exploitation

that TEP and all mo-no-po-ly u-til-i-ties have done

to their ratepayers. But it wonâ??t stop those sons-of- guns!

Instead, the ACC â??s in bed withâ?? TEP and its coharts.

That sends the profits we must payâ?? soaring off the charts!

Just gettinâ?? Public Powerâ?? will rid us of all of these farts!

Tell the Mayor and Council... we want Public Power to be

on the ballot this fallâ?? askinâ?? you and me

if we want Public Power to repla-ace TEP!

Until we get Public Powerâ?!. vote only for those ACC  
candidates who refuseâ?!. corpâ??rate and PAC money,  
those pledged to vote no-oâ?!. on rate hikes fo-or TEP!
