

## Resisters in Canada

### Description

All the bright young things  
Called to go and kill

Some went north instead

Up to Canada

Making a new life

Theyâ??re with us today

While the war goes on

2)

Dodgers of the Draft

Thatâ??s what they were called

During Vietnam

Now that war is gone

Yet no one seemed to learn

So they must resist

With a new war on

3)

Canada says come

Come and live in peace

Here is room for you

Borders open wide

Nothing here to hide

All the bright young things

In another war
